Call for Papers

2nd PIRAEUS INTERNATIONAL ECONOMIC CONFERENCE (PIEC)

June 22–24, 2027, Spetses, Greece

Department of Economics, University of Piraeus

The University of Piraeus in collaboration with the Joint Research Center (JRC) of the European Commission, is pleased to announce the **1st Piraeus International Economic Conference (PIEC)**, which will take place on **22 – 24 June 2027** in Spetses, Greece.

Topics of Interest:

The conference welcomes both theoretical and empirical submissions in the fields of **Economics, Finance, and Econometrics**. It aims to provide an international platform for academics, researchers, and professionals to exchange ideas, present recent findings, and discuss contemporary challenges in these areas.

The conference invites submissions on a wide range of topics including, but not limited to:

- Applied Macroeconomics, Monetary Policy and Financial Markets
- Economic Growth, Development and Globalization
- Labor, Employment and Demographic Economics
- Public Economics, Fiscal Policy and Inequality
- Political Economy, Institutions and Governance
- Education, Human Capital and Innovation
- Health, Social Protection and Well-being
- Environmental Economics, Climate Change and Sustainability
- Industrial Organization, Market Dynamics and Competition
- Econometric Methods, Time Series and Data Analysis

Submission Guidelines:

Authors may submit their papers electronically through the conference submission page. The submission deadline is **January 31, 2027**. Authors will be notified by **February 21, 2027** at the latest whether their papers have been accepted for presentation at the conference.

The early registration fee is **€320 for authors presenting an accepted paper**, **€220 for PhD students** and **€270 per person for participating co-authors and other attendees**. After the early registration deadline, all fees increase by €50, bringing the late registration fees to **€370, €270 and €320**, respectively. To qualify for the PhD student rate, applicants must provide a letter from their Head of Department confirming their enrolment in a PhD programme.

Keynote Speakers:

Menzie Chinn, University of Wisconsin
Alessandra Fogli, Federal Reserve Bank of Minneapolis.
Francesca Monti, Université Catholique de Louvain
Peter Rupert, University of California at Santa Barbara

Publication Opportunities – Special Issues:

Selected papers presented at PIEC 2027 may be considered for publication in special issues of the following journals:

- ***European Economic Review***
- ***Journal of International Money and Finance***
- ***Journal of Business Cycle Research***

The calls for papers for all three special issues will be posted on the conference website as they become available. Submissions will be subject to each journal's standard peer review process.
